Respected Sir/Ma'am,

Kindly accept this letter as notice of my **resignation** from my position as **Jr. Software Engineer**, effective from **Today, 31th July 2021**. It is very hard to leave such an amazing organization. Please inform me about the next formal procedure regarding resignation.

It was great working with **iAssureIT** and I thoroughly enjoyed and appreciated the support provided me during my tenure with the company and I will never forget the kindness of all of my colleagues. I learned a lot from **Ashish Naik Sir** and your company and I will proudly carry them along with all the happy memories, throughout my career. Thank you so much for all of the opportunities to grow under your guidance. I have learned so much this time. Please acknowledge my mail.

I wish you all the best as the company continues to grow. Please let me know how I can help during this transition. You can always contact me at **9265589508**.

Thank you again for your support and encouragement.

Regards

Vishal Wankhade
